two tone design concept can be said that this year is one of the most popular elements, both in clothing accessories and shoes, can see such a creative, classic shoes VANS Vans California 2012 winter shoes - Carillo, also follow this trend and the design concept of tone two shoes, leather and suede rear combination mix very eye-catching.

Nike Air Max JR is a combination of basketball shoes, which combines many features of training shoes and joined Nike's 360 degree Max outsole. Maybe the last time I saw this color, it should be black / white. But today's color may be more revealing. It uses the dazzling red Cincinnati Reds, opposite the black, with red mesh pads on the red frosted body. Shoes with white spots, breathable leather embellishment, the front foot of the white Swoosh is also in sharp contrast with the red color of the upper, the overall appearance of quite domineering and classic color matching shoes. It is expected to be fully listed in November, at a price of \$160.
